Trade and Investment Promotion Section in Athens participates in FOOD EXPO 2016.

FOOD EXPO Greece is the leading regional international Food & Beverage Exhibition in Southeastern Europe! The 22,000 m² of space, the 580 exhibitors, the 35,000 Greek professional visitors, as well as the extensive turnout of hundreds of important international buyers from 39 countries at the 2nd FOOD EXPO Greece, which took place in March 2015, more than demonstrated the enormous potential of the exhibition. FOOD EXPO Greece is capable of gathering the vast majority of sector businesses and playing a leading role in our Greece's exhibition events! FOOD EXPO GREECE received widespread acclaim from the industry and affirmed the necessity for a large scale international exhibition that not only meets the evolving demands of the domestic market place, but also fully serves the export aspirations of the Greek Food & Beverage sector.

Based on this year's success, FORUM S.A. moves toward organizing the **3d FOOD EXPO**, which will take place between **March 19 and 21, 2016** at the **METROPOLITAN EXPO** exhibition center. Maintaining the same high-quality standards, investing in an even larger marketing budget, utilizing new technologies and applying innovative and decisive strategies in order to promote the trade show worldwide, the 3d FOOD EXPO 2016 will most certainly be an even bigger success as it is expected that more than **720** exhibitors will participate while an even greater number of important Greek and international buyers will be visiting.

FoodExpo is the unique opportunity for businessmen to connect important relations with partners, because personal meeting is much better than only virtual or phone contact. During this event a lot of companies will gather in one place. In a relaxed atmosphere will be able to speak about possible cooperation. For visitors trade is also a great occasion to see which products are available or will be on the market soon. Guests will taste tasty food such as local dishes and get to know what are the trends in healthy eating. On the stands will appear delicious food products such as meat and fishes, vegetables and fruits, olive oil, spices, alcohol and much more. In the other pavilions You will find equipment and machines use in the food industry.

What is important connections between Poland and Greece grow rapidly and the events like FoodExpo can be very helpful in further development.

Polish Embassy in Athens Trade and Investment Promotion Section participates in Food Expo. We cordially invite You to visit our stand. It will be located in hall number 2 on exhibition stand D23 - E31. You have to be with us!
