

**Polska**

The International Furniture Trade  
Fair in Ostróda

2016-07-12 08:41:38

Ostróda Fair guarantees new business contracts - the entire furniture, interior furnishing and wood industries from more than 25 countries will come together for the International AMIA Wood Processing Technology and Furniture Production Trade Fair between 6 and 9 September at Expo Mazury.

**The International Furniture Trade Fair in Ostróda** is one of the most important trade fairs in Europe and the leading industry event in Poland. Hosted in the most advanced convention and trade fair centre in the country, it attracts more and more visitors every year. For more than two decades now, contracts signed in Ostróda have contributed to the dynamic growth in Polish furniture sales, making Poland a leader in the international furniture industry. The upcoming **43<sup>rd</sup> edition** is sure to bring new, fruitful, business relations and contracts, and spur its further development. Visitors will be able to choose from one of the largest offers of Polish and international furniture and furnishings available in Poland, ranging from textiles and boards to finished products, including designer products.

✕✕ The furniture trade fair will be accompanied by the **3<sup>rd</sup> edition of the AMIA Wood Processing Technology and Furniture Production Trade Fair**, making it possible to bring together many experts from various disciplines and company departments at the same time.

Thanks to their **international scope**, both events contribute considerably to the **promotion of the Warmia and Mazury Voivodeship**, and their business formula and the resulting contracts **fuel economic activity** in the region.

The following people and institutions have confirmed their involvement with the event: the **Wood Technology Department of the Warsaw University of Life Sciences, the Marshal of Warmia and Mazury Voivodeship**, Mr Gustaw Marek Brzezina.

The following zones will be organized:

- **Polish design zone** - dedicated to the promotion of Polish design, Polish designers and schools.
- **Interior furnishing zone** - decorations, textiles, interior-furnishing accessories for houses and apartments.
- **Wood zone** - aimed at promoting the activities of the State Forests, lectures, training and practical

demonstrations raising the social awareness of forestry, world resources and types of wood in connection with the furniture industry.

It will also be possible to admire the works submitted to the “Spełnij dziecięce marzenia” (“Make kids’ dreams come true”) **competition**, as well as selected prototypes chosen in the contest organized by biznesmeble.pl magazine, which took place under the **honorary auspices** of the International Furniture Trade Fair.

Companies that don’t fear bold solutions, and that invest in modern and functional products will be presented with the **Żagle Rozwoju** (“Sails of Development”) Award.
