PCC Consumer Products Kosmet is one of the largest producers of household chemistry, professional chemistry and cosmetics in Poland. The company develops its own brand portfolio and specializes in the production of private label products, whose recipients are the largest retail chains in Central and Eastern Europe. PCC Consumer Products Kosmet also cooperates with global corporations, for which it produces products as a contract manufacturer. The company's clients also include public institutions and industrial plants, which are dedicated to the offer of professional chemistry products.
