The Plastic Plant "ArtGos" Joint Stock Company is a manufacturer of plastic products, mainly in the area of household goods and toilet seats. The offer is complemented by garden, tourist and construction items. Bearing in mind the youngest ones, the sale of toys and sanitary wares designed for children was introduced. Production services and utilities are also provided.

The manufactured products are characterized by interesting design and high functionality.

The group products available is constantly expanding with new items, and possessing the necessary extensive technical base (design studio and well-equipped tool shop), the introduction of a new product takes a relatively short time.

The certified quality management system, compliant with the ISO 9001: 2015, is a confirmation of appropriate standards not only of manufactured products, but all activities undertaken in the company.

Our motto is to achieve economic successes by offering products and services to clients that meet their needs and expectations in a way that brings them satisfaction.
